

The TWISTA™

50mm POP UP SPRINKLER
100mm POP UP SPRINKLER
PROFESSIONAL

The Holman Twista pop up sprinkler is ideal for watering residential lawns and landscaped areas.

The one sprinkler can easily be adjusted with the tip of your fingers to operate between 25° arc and a full circle.

The sprinkler features a quality seal that ensures reliable pop up operation in the harshest of conditions.

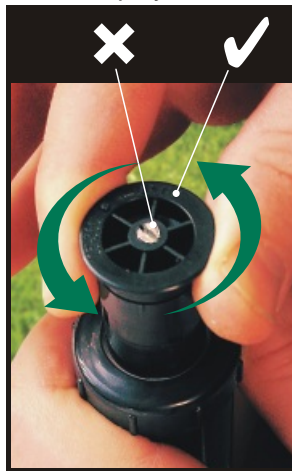

The Twista is available in 50mm & 100mm pop up heights to suit different grass types.

Features

- One sprinkler is suitable for all applications.
- Rainbird style adjustable nozzle 25° - 360°.
- Removable and replaceable nozzle and filter.
- 50mm and 100mm pop up heights.
- Removable filter for easy cleaning.
- Stainless steel retraction spring ensures long life & positive retraction.
- High quality wiper seal ensures minimal entry of soil.
- 1 year guarantee.
- Install between 3.5 & 4.0 metres apart.
- Stem ratchet allows easy adjustment of spray direction.
- Standard 15mm BSP inlet.
- Low trajectory spray.
- 100 - 250kPa operating pressure.
- Replaces the traditional 1/2, 1/4, 3/4, and full circle pop up sprinklers.
- Available with stickers for retail presentation.
- Available in value 6 pack for counter display and sales promotion.

Easy adjustment to any spray pattern from 25° to full circle by simply turning the nozzle with the tip of your fingers.

Easy manual twist of the sprinkler stem, (no tool req) aligns the set watering arc to your target area.
