## Inventory Information

BTX1,BTX6 and BTX  
Stock will be arriving in all 3 HOLMAN  
Warehouses during late October 2016  
and will be ready for dispatch once the  
BLG has be finalised.

## Ranging-in the new products & Their BLG Locations

- Once the CONTROLLER bay has been relayed to the new BLG, ensure to print and replace new shelf tickets for all the bay.
- As always these new products are to be ranged to meet Holman's high merchandising presentation standards.

## Holman & Bunnings Websites

<http://www.holmanindustries.com.au/products>

- Each of these new lines is currently in the process of being listed onto the Holman website
- Once they are featured online notification will be sent out to the entire field team

<http://www.bunnings.com.au/holman>
