Dear Valued Client,

We have great pleasure in advising you that ApprovalMark International has approved your certification under the WaterMark Certification Scheme as follows:

Certificate Number:	Reference Standard:	WaterMark User:
WM 74851	AS/NZS 1477:2017 – PVC pipes and fittings for pressure applications	Holman Industries 101 Walters Drive Osborne Park, WA 6017 AUSTRALIA

Your formal certificate and schedule are attached separately for your business purposes.

We would like to take this opportunity to remind you that you are required to comply with the rules of the WaterMark Certification Scheme as per the signed documentation at the beginning of the application including:

- ApprovalMark International Application Form
- ApprovalMark International Licensing Agreement
- ABCB Approved User Agreement

As part of ApprovalMark International's certification process, a separate invoice for this certification will be provided for your immediate action. Once this payment has been made, ApprovalMark International will then upload your certification and schedule to the Australian Building Codes Board Database (ABCB) and the Joint Accreditation System of Australia and New Zealand (JAS-ANZ) register.

Please note that your products will not be recognized as being certified if the certificate and schedule are not available on the above mentioned register(s) for public and regulators verification.

On behalf of ApprovalMark International I would like to offer our congratulations for achieving this certification and we are looking forward to maintaining our ongoing relationship. If you have any questions or require additional information please do not hesitate to contact us.

Sincerely,

Raybert Rodriguez
